August 2019

Dear Families,

Welcome to the 2019-2020 school year in Primary 2. I am eager to start a fresh new year filled with hard work and plenty of success! As the summer winds down and you begin to prepare for the first days of school, please find a school supply list below. You may send the items in with your child on the first day or within the first week of school. We will help your child get organized for the year ahead.

If you have any questions prior to meeting with me at Back to School Night, please do not hesitate to contact me using the email listed below. Enjoy the rest of your summer and I'll see you in September!

Sincerely,

Mrs. Dana Iannitti
