**Australia’s Animals**

Mrs. McKee's 5th grade Leadership group will be having a Change collection to help the animals that survived the wildfires in Australia. There will be a jar at Mrs. Talmage's desk for the next 3 weeks to collect change—pennies, nickels, dimes, quarters & we will accept paper money too!! We can make a difference and help Koalas, kangaroos & bats that are recovering from the horrible wildfires in Australia! They need food, medical care and a safe place to recover. All money will be donated to WIRES.org—a wildlife rescue group in Australia. So please bring in any change you have and place it in the jar at Mrs. Talmage's desk.

Thank you!

**BAY STREET THEATER**

**CREATING A CHARACTER**

WINTER/SPRING CLASSES

January 29 - March 11
4:00 p.m. - 5:30 p.m.

In this fun and interactive class for 7-10 year-olds, students will focus on the elements of creating a character for the stage. Along the way they will develop new skills that will build confidence in their personal lives as well; breathing, voice projection, movement and stage presence, as well as some historical research on the characters they are working on will form the bulk of the class. Best of all, there will be a performance on the final day where the participants will show their new prowess and all of the characters they have created! Ages 7-10
KIDS BIKE HELMETS AVAILABLE
Please contact John M. Marshall Elementary School Social worker if you are interested in a bike helmet for your child.
